Last timeâ€¦â€¦â€¦â€¦the power collars defused Gotenks.

17 was laughing.

"So your are really that weak 17." Said Vegeta. 17 glared at him. "What do you mean?" Vegeta chuckled. "If were weaker than you, why do we need these collars?" 17 ignored him. " I want you to meet a friend of mine." Out of the darkness came something that scared everyone. It was Cell! Or at least a copy. "Meet Android #1. He is a copy of cell. It first order is to obey me. Im not making the same mistake as Dr. Gero. "You are sick." Yelled Gohan

Really? Just for that, you can watch your friends die!" Slowly Android 1 turned towards Goku and blasted him. Goku tired to power up but was paralyzed when the collar suppressed his power. Goku became unconcious.

" #1 you really have to use more energy" said 17.

Everyone stood there for a moment. Vegeta took his chances and without powering up attacked #1. Vegeta kicked at #1 but he moved to fast. Vegeta anticipated his move and blocked the punch behind him. Vegeta used this opening and kicked #1 in the chest. His boot went right through its chest. It fell to the floor. "Pathetic" said Vegeta. 17 still smiled. "You should know better Vegeta." Android #1's wounds healed up. It looked like nothing happened. Vegeta cursed himself for not remembering Cell. #1 jumped up and attacked Vegeta off guard. #1 kneed him in the stomach but before he could move from the force of the blow, #1 grabbed his hair and flung him into the

air. Vegeta stopped and rebounded and kicked #1 in the head. It didn't phase him. Vegeta became hurt when #1 landed tons of punches on him and finnaly shot out a beam. Vegeta couldn't block. It pierced his lung. He screamed in pain and coughed up blood. Trunks didn't want to stand around and niether did Gohan or Goten. All 3 attacked #1 but it was too fast. It blew them all away. Goku finally woke up but he still hurt. He sat up only to be knocked down be #1. "#1â€¦..Kill themâ€¦â€¦Vegeta first." Said 17

#1 turned towards Vegeta who's eyes stared in disbelief.

?????: NO! Stop!

To late as #1 blasted a ball at vegeta but someone jumped in the way. Someoneâ€¦â€¦â€¦.femaleâ€¦â€¦â€¦BULMA! She took the full hit of the blastâ€¦.her body disintegrating and her painful scream. Vegeta couldn't believe it. "NOâ€¦.mom!" screamed a crying Trunks. Vegeta's vision turned red and he stood up. "Still have fight in you Vegeta?" mocked 17. Vegeta knew who his first victim was but he would have to power up. He started to power up when the pain of the collar burned through him. He ignored it. He wanted to kill. For her death. "You can't fight it Vegeta!" laughed 17. Vegeta would prove the bastard wrong. HE pushed himself throught the pain. He heard 17 screaming how its impossible. He was almost there. He pushed himself until the pain went away and the collar blew up bit it didn't hurt him. He was SSj2â€¦..and he was pissed.
